Strategic Plan for the Session 2023-24

Strategy Type	Details
Examination and Evaluation	Internal tests conducted and assignment/seminar paper submitted by students to concerned subject teachers.
Teaching and learning	All the classes are conducted in offline mode. Social media like Whatsapp etc. are also used whenever necessary.

Deployment:

1. Internal tests are conducted in offline mode and students are directed to write assignment/seminar/project paper and submit the same to concerned department.
2. Project viva/interaction with guide is conducted for the students.
3. Alongwith regular classes in offline mode, various platforms like whatsapp etc. are utilized by the teacher. Classes are taken by the teachers according to class routine prepared by Academic and Exam Committee and attendance is given due importance.
4. Extra-classes are taken by faculties for slow learners and interested students.
5. Tutorial classes are conducted by all departments as per class routine.
