Strategic Plan for the Session 2020-2021

Strategy Type	Details
Examination and Evaluation	Internal tests conducted and assignment/seminar paper submitted by students in pdf format to concerned subject teachers. Due to pandemic, tests are conducted in online and offline mode.
Teaching and learning	Almost all the classes are conducted in online mode due to Covid 19 pandemic. Social media like WhatsApp and other online mode like zoom, Google meet etc. are also used.

Deployment:

1. Internal tests are conducted in online as well as offline mode and students are directed to write assignment/seminar/project paper and submit the same to the concerned department in PDF format.
2. Project viva/interaction with guide is conducted in online mode using Google meet.
3. For conducting classes in online mode, various platforms like Google meet, zoom and WhatsApp are utilized by the teacher. Classes are taken by the teachers according to class routine prepared by Academic and Exam Committee and attendance is taken in Google form.
4. Extra-classes are taken by faculties for slow learners and interested students.
